

Bethany Wake Scholarship

The Bethany Wake scholarship will provide assistance to individuals wanting to participate in the WCFL annual Kampala Conference. This conference will equip the local people in Uganda and surrounds with skills and knowledge to address reproductive education needs in their areas as a long-term sustainable solution to intergenerational poverty. WCFL utilises a new holistic and practical approach in our train the trainer workshops.

Please visit www.wisechoicesforlife.org to learn more!

Wise Choices for Life thanks the friends and family of Bethany Wake for their generous donations and support in helping to break the poverty cycle through reproductive health education in Africa.
